October 24, 2016

Dear Parents/Guardians and Cadets;

Beginning on Thursday, November 10 at 10:00am and continuing to Friday, November 11 at 12:00pm, 704 Squadron will be assisting 173 Squadron with the 18th Annual 24 Hour Vigil at the Trenton Cenotaph. All cadets are encouraged to participate in at least one shift at the cenotaph and we ask to have all cadets participate in the Remembrance Day Parade. The attached permission form gives timing details of the various shifts. Permission forms must be returned on Monday, November 7.

Cadets are to meet at the Trenton Legion (third floor) for the times they have signed up for. Cadets will be provided meals, snacks and beverages during their shift. Cadets are to be in full uniform for their time on the cenotaph. They will be supervised by adult staff at all times.

Cadets are encouraged to bring things to keep them occupied between shifts, such as homework, music, games, books, etc. Cadets can bring a change of clothes to wear between shifts as well and for sleeping.

If you have any questions or concerns contact the squadron office directly by phone or in person on Monday or Wednesday evenings.

Sincerely;

Deanna Kendall
Captain
Commanding Officer
