- the cadet is carrying the proper equipment and it is in good condition and properly maintained;
- the cadet's health and safety is not at risk; and

Corrective measures could be taken against a cadet for failing any inspection or search criteria or for refusing to submit to an inspection, in accordance with CATO 15-22 Conduct and Discipline – Cadets, up to and including being expelled from the activity.

If needed, the search of a cadet's person, property, locker(s), luggage, kit or sleeping area for the purposes of discovering contraband, illicit or stolen property, or some evidence of guilt to be used in the prosecution of an offence, will be conducted only by the Military Police or a civilian police agency.
