

CADET ACTIVITIES PROGRAM (CAP)

March Break AND Summer Sessions

WHAT IS CAP?

The Cadet Activity Program, or CAP for short, is a locally delivered program conducted during two sessions: March 15-19, 2021; Summer 2021 Sessions to be determined.

CAP provides a fun, challenging, and meaningful experience for cadets above and beyond what they would receive at the local corps/squadron level. A multi-unit experience!

IS CAP FOR ALL CADETS?

More than 6,700 cadets will have the opportunity to participate in CAP activities in 2021 — more than 2,000 during March Break. While CAP is focused at first and second-year cadets, all interested cadets are encouraged to apply. Any cadet unable or not selected to attend a CAP during March Break can apply for later in the spring for one of the summer sessions in their area. the summer sessions in their area.

WHAT WOULD MY DAY LOOK LIKE?

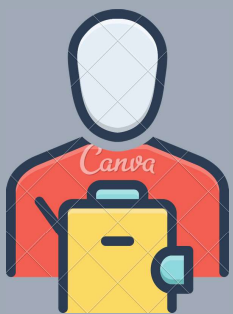

Every site will have a schedule of activities tailored to the location and local conditions. Some of these activities may include: Elemental Skills Competition, GeoCaching, Marksmanship, Winter Olympics, Amazing Race, Escape Room, Hiking, Snowshoeing, Snow Sculptures/Shelter building and MUCH MORE!

INTERESTED IN BEING A STAFF CADET?

Have you completed Phase Four/Gold Star/Level Four? Will you be 16+ on March 15 2021? Are you interested in March Break employment that will strengthen your leadership and problem solving skills?

The CAP is a youth leading youth initiative and therefore will need Staff Cadets to assist with the delivery of the program. If you are interested in applying, talk with your unit CO. Applications Applications will be managed through Fortress.

***Note: CAP is conditional on the developments of the COVID-19 pandemic. In the event CAP cannot be safely conducted at any given site, selected staff will be provided with alternate tasks that can be completed from home to still be paid.**
