

704 Air Force City Squadron Royal Canadian Air Cadets

September 23, 2019

Dear Parents/Guardians & Cadets:

Subject: Snoopy Survivor 2019

During the weekend of October 4-6, 704 Squadron is conducting a survival exercise for all cadets at its training facility, Camp Ross, which is located east of Bancroft off Hwy #28. Outdoor sleeping bags and meal rations are provided. The cadets will sleep in tents on Friday night. Cadets will be expected to sleep in self-constructed shelters on Saturday night. Under normal circumstances your cadet will be outdoors continuously for 42 hours, from the time they get off the bus on Friday night until they board it again on Sunday afternoon.

Your cadet will walk in and out of the camp from the main road. The distance is approximately three (3) kilometers. **Parents are to ensure that cadet gear consists only of what is really required (see attached kit list), keeping in mind that your cadet must carry it to and from the training site.** We can provide backpacks if you do not have access to anything suitable.

It is mandatory that your cadet have in their possession their Ontario Health Card. The staff will collect these at the beginning of the exercise and keep them in a secure place during the activity. You must return the attached permission form prior to departure on Friday night for your cadet to be able to attend. If your cadet has special dietary needs or is on any form of medication make certain it is noted on the permission form. We may stop at a local store on the way and your cadet may want to bring approximately \$10.00 for snacks.

Please have your cadet at the RCAF Flyers Arena parking lot by 5:00 PM on Friday, October 4. They will be boarding the bus in the parking lot. They should have had their supper or pack a meal for them as we will not be providing meals on Friday. Cadets will be returning to the RCAF Flyer's Arena parking lot at 4:00 pm on Sunday, October 6. **Please be on time for pick-up.** If there are any delays in the return time, this information will be posted on our Facebook page, www.facebook.com/704aircadets

If you require more information please speak with Lieutenant McDonald at the squadron between 6:00 and 9:00 pm on Monday or Wednesday evenings.

Sincerely;

G.A. Watts
Captain
Commanding Officer
