# Introduction

---

## 1. Purpose

a. The purpose of these Common Joining Instructions are to provide you with the foundation needed to prepare you for your employment this summer.

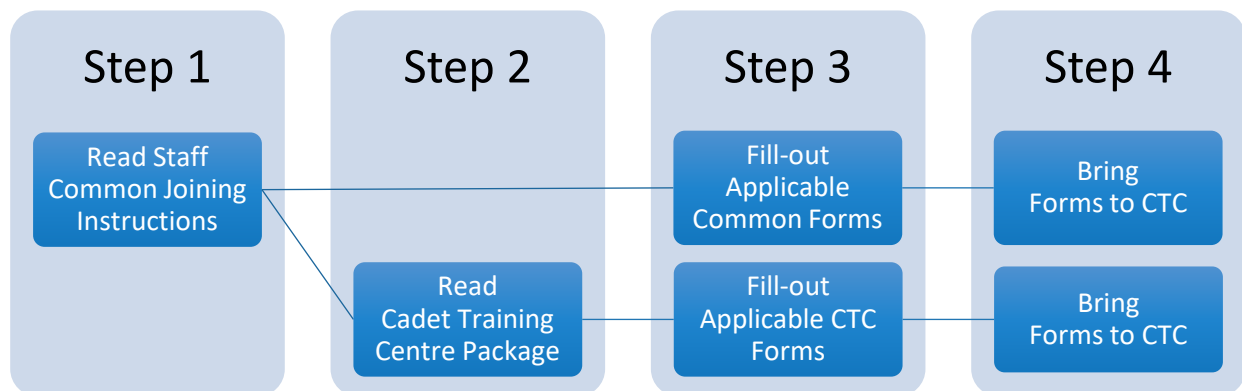

## 2. Reading the Joining Instructions

a. These Joining Instructions have been written in a way that should be easy to navigate, bringing the most important information to you first, like what you should bring, what you should expect, etc. This information is common amongst all Cadet Training Centres in the Region (Central), so there should be no surprises when you arrive for employment.

b. Each Cadet Training Centre has a specific document attached, called an Annex. Please note that the Annexes have been written for course cadets.

c. Staff Cadets are required to complete the attached forms, much like all course cadets.

d. Please note that the dates listed on the following course information pages may not reflect the employment dates of your contract.

## What You Should Have

Here's what you should have:

- Common CTC Joining Instructions (*this is the document you're reading*)
- Common CTC Joining Instructions Forms (*found at the back of this document*)
- CTC Instructions Annex Document (*this is the document that tells you about your CTC*)
- Additional Information (*like pilot or expedition courses, if applicable to you*)

# Preparing for Employment

---

## 3. Summer Training Briefing

- a. Your local Corps / Squadron should provide you with a summer training briefing before you leave. You're encouraged to participate and ask questions during this period.
- b. This is your opportunity to clarify course information with your training staff, making sure that you know exactly what course you're taking.
- c. All cadets must hand in the "**Offer of Participation Form**" issued by their Corps/Sqn upon arrival at the Cadet Training Centre.

## 4. Packing for Employment

a. This can be stressful, so we've broken this critical step down to help you out. **Please refer to the attached "Common JI Form – Kit List" for your packing list.** Make sure to follow this checklist so that you don't forget anything, or pack items that you don't need. The indicated quantity is the minimum amount you will need.

b. **Army Cadets must pack their Field Training Uniform, issued by their Corps.**

c. **Sea Cadets must pack their Sea Cadet Training Uniform, issued by their Corps.**

c. When packing your civilian clothing, please make sure you follow standard cadet practices, ensuring that your clothing adheres to acceptable standards. Unnecessary clothing or items are discouraged as personal storage at the Cadet Training Centre is limited.

- d. Course-specific items will be identified in a separate document (if required).
- e. Please note that you will be required to travel in uniform, so uniform items listed may be worn once you've checked them off the list.
- f. All cadet-issued uniform items must fit properly and be in good repair. All necessary exchanges or replacements must be done at your Corps/Sqn before leaving for your course.
- g. All luggage and cadets are subject to inspection upon arrival at the Cadet Training Centre. This is to ensure that you have everything you need to be successful on your course.
- h. Staff Cadets participate in Mess Functions, so please pack your Mess Dress Uniform (white dress shirt, black bow tie, tunic with medals/ribbons).

## 5. Medication

- a. If you require prescription medication, please make sure you bring them in their original packaging with a copy of the prescription. It is your responsibility to ensure that you are taking medication as prescribed.
- b. Any over-the-counter medication, such as allergy medication or pain relief, must also remain in its original packaging. This medication will be retained and controlled by course staff but made available to you, when possible.
- c. Please bring enough prescription medication to last you for the duration of your course, since you may not have the ability to refill your prescription while on course.

## 6. Anaphylaxis Protocol

- a. Anaphylaxis is defined as a serious allergic reaction that can be rapid in onset and may cause death. It affects about 2% of the Canadian population, with the most common allergens being food and insect stings. Medical attention is needed right away as this type of reaction can be life-threatening.
- b. **Cadets with serious allergies to insect stings or food must bring two prescribed Anakit/Epi-pen/Allerject with them to the CTC.**
- c. Cadets must hand-carry a copy of their Anaphylaxis Emergency Plan completed during their annual medical validation to the CTC, and keep a copy on their person (with their emergency medication) at all times.

## 7. Medic-Alert Bracelets / Devices

- a. It is highly recommended that all cadets with known medical conditions requiring immediate identification, wear their Medic-Alert devices (bracelets, necklaces, etc) at all times.

## 8. Immunizations

- a. All cadets must be up-to-date, to their applicable age, with immunizations in accordance with provincial standards, in addition to the meningococcal immunization. Immunizations will not be provided by Canadian Forces Health Services.
- b. Cadets may be excluded from training during certain disease outbreaks, if the cadet is not immunized against that particular communicable disease.

## 9. Electronics and Valuables

- a. If you're bringing personal electronic devices, or other valuables, please record them on the **"Common JI Form – Personal Valuable Property Log"** provided with this package. You are responsible for these items – the Cadet Training Centres will not replace personal items which are lost or damaged during your employment.
- b. The Cadet Training Centres have rules governing the use of cell phones or other smart devices. The expectation is that you follow these rules, or risk the privilege of using them during

personal time. All Cadet Training Centre staff have the right to seize these devices if order and discipline is impacted.

## During Employment

### 10. Transportation

a. We've arranged for you to get to the Cadet Training Centre. Your method of transportation may be via bus, train, or aircraft. If you're travelling by train or aircraft, your Corps/Sqn will provide you with additional travel information.

b. Closer to your travel date, you will be provided with a travel itinerary from your Corps/Sqn. This information will include a date, location, and time for pick-up. We'll arrange for a pick-up location close to you, for your convenience. This will be an opportunity for you to say farewell to your family and friends.

c. You will be travelling in uniform to the Cadet Training Centre.

e. **You must produce a valid Health Card before boarding your transportation.**

f. If you're taking the train or aircraft to your course, you will be required to travel in a more formal order of dress. You will also be required to carry Government-issued photo identification.

g. Under the Government of Canada's Passenger Protect Program, full legal names must be used. A cadet's registered name at their Corps/Sqn must match the identification carried. Any discrepancies, such

as short forms or nicknames, or any variation of their full legal name may result in being denied boarding. Additional details about the Passenger Protect Program are available through Transport Canada.

h. Personal luggage must be clearly marked with a duplicate tag placed inside the container (duffle bag, suitcase, kit bag). Luggage restrictions may apply to cadets travelling by air. Please consult your travel order and the airline. Details regarding checked and carry-on luggage may be obtained from the Canadian Air Transport Security Authority (CATSA).

## 11. Food and Accommodations

a. Food will be provided for the duration of your course. Every effort is made to accommodate most dietary restrictions, so please let your staff know once you arrive on course if you require assistance.

b. Meals are typically provided in a cafeteria-style setting. This may change depending on your course, Cadet Training Centre, or building availability. Rest-assured though, you will be fed.

c. You may be housed in either soft-walled structures, or dormitory-style buildings depending on your course. You may share a room with either one to ten people, in either a single or bunk-style bed depending on the Cadet Training Centre. You will be provided with an area to store your personal items and clothing, which could either be a closet or a locker. Make sure you bring combination locks.

## 12. Code of Conduct

a. Each Cadet Training Centre has an established expectation of behaviour. Every person attending these facilities are to adhere to this behaviour without question. This is called a “Code of Conduct”, and is similar to the one you signed when you joined the program. You are required to read and sign this **Code of Conduct** before you start your course.

b. Breaches of this Code of Conduct will result in disciplinary action up to, and including removal from the course.

c. Orders, rules, and regulations exist to ensure the safety of all personnel attending or working at Cadet Training Centres. They must be strictly followed to maintain order, discipline, and safety.

## 13. Return to Unit

a. Circumstances may arise during your course where you may be required to go home. This may be due to personal reasons (compassionate, medical), performance (training deficiencies), or discipline. Once a decision has been made to return a cadet to their unit, their parent/guardian is contacted, along with their unit Commanding Officer. If a cadet is sent home due to disciplinary reasons, parents / guardians may be responsible to cover the cost associated to getting them home.

## 14. Spiritual Services

a. Each Cadet Training Centre has spiritual and religious services available to cadets. If you wish to practice your spiritual obligations, please let your staff know.

b. Service information is provided in the Cadet Training Centre documents provided with this package.

## 15. Health and Dental Services

a. Cadets are covered through the Ontario Health Insurance Plan, and the Department of National Defense for all health-related expenses while attending summer training courses.

b. Each Cadet Training Centre has medical staff on site, who are accessible by the cadets every morning during “Sick Parade”, or on an as-needed basis when required.

c. Emergency dental services may also be provided should it be determined that the dental emergency is a direct result of course participation.

d. Eyeglasses may be replaced if they become damaged during training where every effort was made by the cadet to safeguard their care. Otherwise, the cost of replacing damaged eyeglasses rests on the wearer.

e. **Cadets will be subject to a brief interview and medical screening by a medical professional**

**upon arrival at the Cadet Training Centre. This is to prevent the spread of communicable diseases, contagious conditions, and to assess that you're medically fit for training.**

## 16. Cadet Bank and Canteen Services

a. You will have access to the “Cadet Bank”. This service will store your cash at no cost to you, so that you don’t find your money missing. The Cadet Bank is accessible during off-training hours, which vary depending on your course and course schedule.

b. The canteen provides a relaxing social atmosphere where you can relax after a long day of training. You will be intermixed with cadets from all over Ontario, so don’t be shy. Snacks and beverages are available for purchase. You may also purchase toiletries, polish, souvenirs, etc depending on its availability.

c. All prices are modest and devoted to cadet success.

## 17. Going Off Base (Leave)

a. Being a Staff Cadet comes with enhanced privileges, such as leaving the CTC during your days off. Transportation off base is typically organized by the Officers and Adult Staff, therefore it’s important to stay up-to-date with instructions and schedules.

b. Staff Cadets may also be authorized to wear appropriate civilian attire while off base, provided that it does not bring discredit to the Canadian Cadet Organization.

## 18. Getting Paid

- a. You will be provided a salary during your employment. This salary will be dependent on the rank achieved following your success during Pre-Course. Please consult your chain of command for your rate of pay.
- b. Money will be paid by direct deposit into your bank account. Please ensure your banking information is correct by bringing a void cheque and direct deposit slip with you.

## 19. Cellphones and Cameras

- c. These are zero-tolerance policies, and any offence thereof will result in course failure and Return to Unit.

## 23. Dress and Department

- a. The standards of personal dress, appearance and grooming shall be such as to reflect credit on the individual and on the Canadian Cadet Organization as a whole. The following regulations are

extracted from Canadian Forces Dress Regulations and Cadet Dress Regulations. They are not intended to be overly restrictive, but to ensure the maintenance of high a standard of grooming consistent with military standards while also recognizing the standards of Canadian society and the traditional privileges, which have proven their value in fostering group identity and morale. The regulations are reasonable, enforceable, assure a favourable military image, and yet permit some individuality.

## Hair Style – Male Personnel

- a. As guidelines, hair shall be:
  - i) neatly groomed;
  - ii) taper-trimmed at the back, the sides, and above the ears, to blend with the hairstyle. A straight cut at the neck is permissible when the tapered appearance is maintained;
  - iii) not more than 15 centimetres (6 inches) in length and short enough so that when hair is groomed and headdress removed, no hair touches the ears or collar, or falls below the top of the eyebrows. The distance of the hair from the collar for the average man should be 2.5 centimetres (1 inch) but this may vary according to whether the individual has a short or long neck; and
  - iv) not greater than 4 centimetres (1½ inches) in bulk at the top of the head with the bulk gradually decreasing from the top to blend with the tapered trimmed sides and back; and does not interfere with the proper wearing of any military headdress.

  - i) not extend below the point where the top of the ear lobe joins the face;
  - ii) be squared off in a horizontal line at the bottom edge; and
  - iii) be taper-trimmed to conform to the overall hairstyle and of even width.

## Hair Style – Female Personnel

- a. Hair shall be kept neat and well-groomed and shall not extend below the lower edge of the jacket collar. Varying hairstyles, straight or curled are permitted within these limits but exaggerated or bizarre styles including those with excessive fullness or extreme height are not authorized. Bobby pins, hairpins and similar items used to secure the hair shall not be visible.

b. Braids, if worn, shall be styled conservatively and tied tightly, secured at the end by a knot or a small-unadorned fastener. A single braid shall be worn in the center of the back. Double braids shall be worn behind the shoulders. Hair shall be a maximum length when gathered behind the head and braided which does not extend below the top of the armpit. Multiple braids and/or cornrows shall be directed toward the back of the head, pulled tight to the head and secured at the end by a knot or a small-unadorned fastener. Multiple braids extending below the lower edge of the collar are to be gathered in a bun.

## 24. Fraternalization

a. The Cadet Training Centers feature three different groups of personnel: Cadets, Staff Cadets, and Adult Staff (Officers, Members of COATS, Civilian Instructors, Contractors, and DND Employees). Inappropriate interactions or relationship, as defined by CATO 15-22, among any of these groups is not permitted. Failure to comply with this policy will not be tolerated, and will result in immediate Return to Unit for all parties involved.
